## WWPC Minimus Champship Entry Requirements

Minimus is an exciting competition for our junior members (U12 on 1st Jan 2023). As a club we provide access to training for all members who wish to prepare for Minimus events. As there are no qualifiers for the Minimus Championships, each Club is responsible for ensuring the competitors are up to standard before entering. As a result, it is important that each rider hoping to compete in the Minimus Championships has;

- Attended X3 Minimus x-country training rallies
- Competed Safely in X2 Fun Minimus Competition
  - *NB Competing in previous years minimus counts as X1*
- Adequately prepared for the swim and run phase (club or Indiv)

17th & 18th June - National Minimus Championships - Nuenna Farm, Freshford Co. Kilkenny.

You will require stabling & accommodation if you intend staying overnight - these get booked up early.

*You will be notified when entries are open.*
